it all at the moment but i have bookmarked it and also included your rss feeds, so when i have time i will

there are no major lakes, but saline marshes are found along the lower reaches of the prut and in river valleys of southern moldova.

the first plant i saw was my splendid iris, which i now know to be mrs valerie west;

a splash of burgundy, or bold, monochromatic wallpaper, adds the right note of drama; but too much black (or worse, hot pink), can create a look that is trashy, rather than upmarket.
